

## PAINLESS FUNDRAISING PROGRAMS BENEFITING NPA 2011 - 2012

It's back to school and that means it's time to raise funds to help NPA! Once again, we would like to ask you to participate in NPA's Painless Fund-Raising Programs. It is really easy, and truly painless. All you have to do is read below and find out how to start earning rewards at local stores.

**eScrip (Safeway).** Link your Safeway card to NPA for your purchases at any Safeway customer service counter. Many other local stores also contribute to NPA for your purchases such as Coco's, Eddie Bauer and New Frontiers to name a few. Visit <http://escrip.com> online, click on "members/supporters" tab then follow directions for renewal or enrollment. Otherwise, you can simply call 1-800-SAFEWAY with your Safeway card number in hand and enroll over the phone. This program runs year round, but membership cards must be renewed by **November 1, 2011.** You may link your escrip membership to more than one program.

**Fry's Grocery Store "Cool Cash".** Take this bar code to the store with you and ask at the customer service counter to have it linked to your Fry's VIP card:

**Cards may be linked starting August 1st, 2011.** The Cool Cash program begins **September 1, 2011 and ends April 25, 2012.** Cards need to be re-linked each school year.

**Fry's Gift Card Program.** Once a gift card is obtained, it can be reloaded to make purchases at Fry's or any other Kroger store. NPA will receive a rebate (up to 6%) based on the amount of money spent using the gift cards. **This is a year round program and you can participate in both programs at once.**

**General Mills Box Tops for Education.** Please save labels and box tops for NPA—even in the summer! Turn them in at the receptionist desk. Visit <http://boxtopforeducation.com> for other ways to help NPA!

**Target “Take Charge of Education” Program.** When you shop at Target using your Target Red Card linked to NPA (#110843), the school receives 1% of total purchases. You can simply enroll online or call 1-800-316-6142 and have your Target Visa, Target Credit Card or Target Check Card linked to NPA.

***Please***, take the time to enroll with these participating programs and pass along the information to family and friends as well. Every dollar spent really adds up!!

Please contact our Painless Fundraising Oversight Coordinator, Brenda Linskey at [linskeys123@msn.com](mailto:linskeys123@msn.com) or (928) 522-8153 with questions or if you have difficulty enrolling in these programs

Think of the possibilities if every NPA family participated!!
