2008-09 "Above & Beyond" Form

GOAL: \$210,000

The above goal was set based upon an anticipated drop in revenues from the State of Arizona projected for the next 3 years, beginning with the 2008-09 school year. Northland Preparatory Academy offers a wide variety of activities that are not fully covered by the school's budget: art and music events, field trips, athletics, and so on. In addition, each year we seem to have unplanned expenses which affect the operating budget. Given the current state of the economy, we anticipate more financial uncertainties which may make it difficult to reward/retain our high quality teachers.

As the NPA community, we can all work together to share this burden. While we recognize the need for social activities such as last spring's Chili Cook-off to maintain our wonderful school spirit and atmosphere, we'd like to reduce the fundraising urgency associated with this type of event. We, the NPA Fundraising Committee, believe that asking our parents to contribute an annual amount of \$200 per student will allow our fine school to continue to operate with all current programs funded. We ask that you consider donating \$200 for each of your children attending NPA. Again, we anticipate this State funding shortfall to last 3 years.

To summarize, this fundraising effort goes above and beyond the Arizona School Tax Credit Program. Any amount you could give above and beyond your tax credit donation is needed. In addition, if you itemize your federal taxes, you can apply your Above & Beyond contribution as a charitable contribution deduction. Please keep in mind that some families are not in the position to contribute so if you can contribute more, please consider doing so. If you have questions, please call NPA at (928) 214-8776.
