

Open Enrollment

Northland Preparatory Academy's (NPA) Open Enrollment period shall be the last Friday in August until the second Friday in January.

Application packets will be given out to parents as they attend one of three Preview Sessions.

The Preview Sessions for those wishing to enroll for SY 2008-09 will be held three different times.

Saturday, August 25, 2007 @ 11:00am

Saturday, October 20, 2007 @ 10:00am

Tuesday, January 8, 2008 @ 6:30pm

Families are only required to attend one of the three Preview Sessions. The session is intended to familiarize families with the culture of NPA. By culture we are referring to the academic expectations, student behavior expectations as well as differences between public charter schools and traditional public schools and needs that NPA has specifically.

Steps in the application process:

1. Attend one of three required Preview Sessions
2. Obtain Application Packet from the Preview Session
3. Complete all Application Packet materials
4. Obtain copy of
 - Immunization Record
 - Birth Certificate
 - Student's most current grade report
5. Return completed application packet to NPA prior to the end of the Open Enrollment period
6. Parents of currently enrolled students wanting to take advantage of the sibling preference rule (ARS 15-184) must submit an application during the open enrollment period
7. Obtain receipt of Application Packet from NPA receptionist

**Parents of currently enrolled students are not required to attend a preview session but it is strongly recommended.*
