

NPA WISH LIST

UPDATED: 5/1/2008

Items in Grey have been filled

Families and friends of NPA students are encouraged to find ways to help strengthen our school community, by either offering assistance to teachers in acquiring "tangible items" to enhance classroom learning, or to volunteer "skill or time" enrichment tasks. Teachers and staff will be posting items here as needs arise, so check back often to see how you can help out.

Teacher/Staff Wish List
