## Arizona School Tax Credit Program

Arizona School Tax Credit monies may be used for Extracurricular Activities, which means school-sponsored activities that require enrolled students to pay a fee in order to participate. **School tax credit monies cannot be allocated to a specific class or teacher.** Your contribution may be used as a tax credit on your Arizona income tax return. In addition, if you itemize your federal taxes, you may take this as a charitable contribution deduction. Please contact your tax professional if you have questions.
