African Proverb:

If you can speak you can sing if you can walk you can dance.

2015-2016

Welcome to the NPA Choir room! Let's have a great year learning music and performing! In order to have a successful year we must agree on some simple rules, they are:

- Come to class on time ready to **SING**
- There will be no bathroom/drink breaks for the first 15 minutes of class
- Pick up your folder and pencil as you come through the door
- Be courageous! Try new things!
- Be polite to fellow students and Mrs. Wilkins
- NEVER EVER laugh at another person's singing
- Breathe...Breathe!!
- Smile!!
- Remember: Beautiful singing begins in the mind of the singer, you must first hear it in your mind's ear, then see it in your mind's eye.
